## Introduction to Virtual NES BAHT Validated Level II Courses

This guide will help you navigate your way through the etiquette and course guidelines for NES BAHT Level II virtual courses. We look forward to welcoming you online.

- We have sent you a manual to download. It is totally up to you whether you want to print a copy or use it on a screen.
- We will run a Pre-course welcome session, **which is optional** for you. This will run on Wednesday 17<sup>th</sup> February at 19.00 – 19.30. We will be there online so that you can join us and see how the Zoom classroom will work and, again, reassure yourself that you know your way around Zoom. We will send you a separate Zoom link for this session.
- Please ensure you are in a space where you can be left alone so you can fully participate.
- Please have the box of goodies we sent to you to hand throughout the course.
- We have also sent you a list of items that we suggest you have available. Please collect these from around the house and have them to hand.
- We will be doing a formal registration in the mornings, but we will also be checking regularly that everyone is online.
- We have built short breaks in between most of the sessions as we realise watching a screen solidly for three days is exhausting. Please try to time your comfort breaks and fetching of drinks / snacks in these breaks. There are longer tea / coffee / lunch breaks.
- Although we have done this course many times before, the BAHT rep will be present throughout owing to the newness of moving BAHT courses to a virtual platform.
- Please see the information on the BAHT examination process for virtual courses – found on the resources section of our website. Prior to you doing the post-course exam, we will discuss it with you on the first day where we will give you a link to sample questions so that you can go into our portal and see how it looks as you go through questions. This should reassure you before you do the real thing.
- We will send you a word document of the evaluation form so you can keep a record of your thoughts on the course as you go along. Then, we will ask you to complete an online version for the whole course. We will send you a link.
- Please keep a copy of the programme with you as we will strictly keep to the timings of each session.

Please note that there are three documents you need to download from the website under Downloads (in the resources section). <https://neshands.co.uk/resources#page-row-12>

1. Introduction to Virtual NES BAHT Validated Level II Courses
2. Level II exam tips - virtual
3. IT and Zoom guidelines

**Reminder:**

You have already agreed to our Terms and Conditions when you registered on the website and booked the course.

We draw your attention to:

*“5.1 The use of any training material on our course and access to the course itself is restricted only to the person who we have supplied the log in details to for the authorised course. That user shall not copy, share, modify, transmit, distribute, or in any way, exploit the materials or share the course with any third party and shall use the course solely for their own individual training. Use for any other purpose is expressly prohibited.”*
